

Andrew Ehrenzeller - Rain Is Coming

Tom: C
Intro: C Dm Am
C Dm Am

The rain is coming
We can't hold it back
The rain is coming
It's a matter of fact
On the horizon
Every distant shore
The rain is coming
It's the glory of the Lord

You will rend the heavens
You will split the skies
You will rule the nations
Every day and night
On Your throne of justice
With Your power and might
Nothing is impossible
Fire goes before You
As the trumpets sound
Angels come together
For the harvest now
Everything is changing
And it's gonna get wild
All things are possible
All things are possible
The rain is coming
And it's already here
The rain is coming
Oh revival is near
Over all of creation
Sea to shining sea
The rain is coming
The world has never seen

You will rend the heavens
You will split the skies
You will rule the nations
Every day and night
On Your throne of justice

With Your power and might
Nothing is impossible
Fire goes before You
As the trumpets sound
Angels come together
For the harvest now
Everything is changing
And it's gonna get wild
All things are possible

All things are possible
All things are possible
All things are possible

Send Your rain
Send Your rain
Over all the earth
Lord send Your rain
Send Your rain
Lord send Your rain
Over all the earth
Lord send Your rain

You will rend the heavens
You will split the skies
You will rule the nations
Every day and night
On Your throne of justice
With Your power and might
Nothing is impossible
Fire goes before You
As the trumpets sound
Angels come together
For the harvest now
Everything is changing
And it's gonna get wild
All things are possible

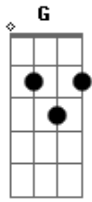

All things are possible
All things are possible
All things are possible
