

Andrew Jackson Jihad - Bad Bad Things

Tom: **G**

Do you remember me? **Dbm**
 I killed your family **E**
 And now I am going to kill you too **B A**
 I made your brother bleed **Dbm**
 I made your father scream **E**
 And I made your mother say those things that she said to me **B A**
 She said, do with me what you want, but please don't hurt my family, don't hurt my family **Dbm E B A**
 Take my pride, take my life, take my body but don't take the ones that are close to me **Dbm E B A Abm**
 Oh, do with me what you want, but please don't hurt my family, don't hurt my family **Dbm E B A**
 Take my pride, take my life, take my body but don't take the ones that I love **Abm**

And I continued without mercy **Dbm**
 (**Dbm Abm Dbm**)
 (**Dbm Abm Dbm**)
 So I looked into your eyes **Dbm**
 And I saw a reflection **E**
 Of a coward that you and I both hate very much **B A**
 And then I grabbed the knife **Dbm**
 And I let the blood out of your throat **E**
 And I smashed those tiny mirrors inside of your skull **B A**
 And I got to thinking
 If I don't go to hell when I die I might go to heaven **Dbm E B A Abm**
 If I don't go to hell when I die I might go to heaven **Dbm E B A Abm**
 If I don't go to hell when I die I might go to heaven **Dbm E B A Abm**
 If I don't go to hell when I die I might go to heaven **Dbm E B A Abm**
 Might go to heaven, but probably not **Dbm**
