

# Andrew Jackson Jihad - People

Tom: **G**

People are wasteful, they waste all the food  
 People are hateful and people are rude  
 But God I love some people sometimes  
 Because people are very, very special  
 And people are impatient, they don't know how to wait  
 People are selfish and people are prone to hate  
 But God I love some people sometimes  
 Because people are the greatest thing to happen  
 I said God I love some people sometimes  
 Because people are the greatest thing to happen  
 And people are people regardless of skin

People are people regardless of creed  
 People are people regardless of gender  
 People are people regardless of anything  
 I said people are people regardless of gender  
 People are people regardless of anything  
 And people are my religion because I believe in them  
 People are my enemies and people are my friends  
 I have faith in my fellow man  
 And I only hope that he has faith in me  
 I said I have faith in my fellow man  
 And I only hope that he has faith in me  
 I said I have faith in my fellow man  
 And I only hope that he has faith in me
