And what made the world, could I please speak to who's in charge?
Bm A
Everything is real but it's also just as fake
G D A
From your daughter's birthday party to your grandmother's wake
Bm A
And your bi-polar illness, it comes and it goes

Bm A
I've tried to know which words to sing so many times

And I've tried to make it rhyme
Bm A
And I've tried to find the key that all good songs are in
G D
A
And I've tried to find the notes to make that great resounding din
Bm
But there's a bad man in everyone
A
No matter who we are
G D A
There's a rapist and a Nazi living in our tiny hearts
Bm A
Child pornographers and cannibals, and politicians too
G D A
There's someone in your head waiting to fucking strangle you

Bm
So here's to you, Mrs. Robinson
D Bm A
People love you more, oh never mind, oh never mind
A Bm
In fucking fact, Mrs. Robinson
D Bm A
The world won't care whether you live or die, live or die
Bm A
In fucking fact, Mrs. Robinson
