

Andrew L.A. - Why You're Not Here

Tom: **F**

I, I?m going thru night and days, searching

I?m looking for answers, again

Another year is gone, patience no more

Waiting on you open this door

Why you?re not here

Not here anymore

Why you?re not here

Not here anymore

Oh-oh-oh oh

0-o-o-oh

I, I?m looking for better days, as always

Having you by my side, life

Needing light at the end I ask

Why you?re not here

Not here anymore

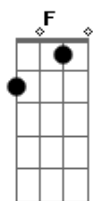

Why you?re not here

Not here anymore

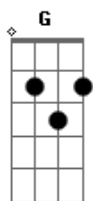

Oh-oh-oh oh

0-o-o-oh
