

# Andru Donalds - Lovin' You

Tom: C

Touch, something you do that makes me high  
 Just give me wings and I'll fly  
 Straight to your heart, and forever I'll remain  
 Cry, too many tears are not enough  
 Expressing to you how much I love  
 Sharing your mind, and your soul  
 Forever and a day  
 You're my desire, you are my pain  
 You are my fire, you are my wane  
 Flowing all over me  
 Take away this world

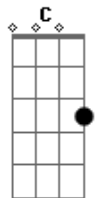

Are you?

Refrão:

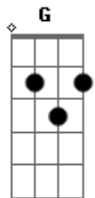

Lovin'you, is so easy to do | 3  
 Lovin'you, is so easy?

Kiss, feels like heaven's right by my door  
 Just like a river that?  
 Don't mind may drown, I don't mind,  
 Swimming in your river  
 When you were weak girl, I will be strong  
 When you were right girl, I may be wrong  
 You take my breath away  
 And I want you to know  
 With every beat of my heart  
 Refrão  
 When your smile keeps a long?  
 They'd rather have many miles away  
 You're my steaminer, my breath of life
