Refrão:

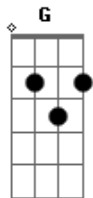

C Bm Em | 3
Lovin'you, is so easy to do | X
F D7 D7
Lovin'you, is so easy?

Kiss, feels like heaven's right by my door
Just like a river that?
Don't mind may drown, I don't mind,
Swimming in your river
When you were weak girl, I will be strong
When you were right girl, I may be wrong
You take my breath away
And I want you to know
With every beat of my heart
Refrão
When your smile keeps a long?
They'd rather have many miles away
You're my steaminer, my breath of life
