

Andy Grammer - Lunatic

Tom: **G**
Intro: **B7M E7M E7M E7M** (2x)

Verso 1:
B7M
I've got five bucks sitting at a coffee shop
E7M
I just wrote a lyric that made me stop
E7M
Think about the world and what I got
E7M
It's a beautiful, beautiful day
B7M
I've got dreams for food and hope for drink
E7M
A new chance coming every time I blink
E7M
Sunset dripping off the thoughts I think
E7M
It's a beautiful, beautiful day

Pré-Refrão:
B7M E7M
And maybe I should care more about safety
E7M E7M
But I can't ignore or betray these voices singing

B7M
You can do this, you can do this
E7M
You are not a lunatic

E7M E7M
Crazy would be changing your mind

B7M
You can do this, you can do this
E7M
You are not a lunatic
E7M E7M
Crazy would be leaving it behind

Verso 2:
I've got five bucks waiting on a matinee
I love to see films in the middle of the day
Same movie seen a different way
I don't think that makes me crazy
And I start work on the opposite side, of the clock
Tic tok clubs open at nine
I like to rock till the early daylight
Write music till five, this is my life

B7M E7M
I will wiggle in a straight jacket forever
E7M E7M
This is not some slight disease we can try and cure
B7M E7M
This is one thing in my life that I know for sure
E7M E7M
There is no turning back now

And maybe I should care more about safety
But I can't ignore or betray these voices singing
