

Andy Gullahorn - Someone To You

tom:

Intro:

They can take any name that I've made for myself
 They can take any pride I've got as well
 There are some things that I can't afford to lose
 I could be nobody as long as I'm someone to you

Yeah, I could keep chasing the rabbit out front
 But you know that's a race I don't care to run
 So I lay down any dreams of a vain success
 Oh I'd rather run to you instead

So let's get face to face
 Look me straight in the eye
 I want these words I say
 To echo true inside

I could hold the world in my hands
 I could let it slip right through
 I could be nobody as long as I'm someone to you

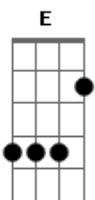

If fortune is a siren that's singing my name
 If the song is so sweet that I can't turn away
 If the prodigal son had a lesson to learn
 Oh it's you are the home where I will return

So let's get face to face
 Look me straight in the eye
 I want these words I say
 To echo true inside

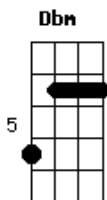

I could hold the world in my hands
 I could let it slip right through
 I could be nobody as long as I'm someone to you
 [Solo]

Oh, You are a rock sticking out of the sand
 That gets covered up when the high tide rolls in
 All else washes away but the stone never moves
 I could be nobody as long as I'm someone to you
 I could be nobody as long as I'm someone to you
