

# Andy Gullahorn - Someone to You

tom:

[Interlúdio 2]

Intro:

[Primeira Parte]

They can take any name that I've made for myself  
 They can take any pride I've got as well  
 There are some things that I can't afford to lose  
 I could be nobody as long as I'm someone to you

[Interlúdio]

[Segunda Parte]

Yeah, I could keep chasing the rabbit out front  
 But you know that's a race I don't care to run  
 So I lay down any dreams of a vain success  
 Oh I'd rather run to you instead

So let's get face to face  
 Look me straight in the eye  
 I want these words I say  
 To echo true inside

[Refrão]

I could hold the world in my hands  
 I could let it slip right through  
 I could be nobody as long as I'm someone to you

[Segunda Parte]

If fortune is a siren that's singing my name  
 If the song is so sweet that I can't turn away  
 If the prodigal son had a lesson to learn  
 Oh it's you are the home where I will return

So let's get face to face  
 Look me straight in the eye  
 I want these words I say  
 To echo true inside

[Refrão]

I could hold the world in my hands  
 I could let it slip right through  
 I could be nobody as long as I'm someone to you

[Solo]

Oh, You are a rock sticking out of the sand  
 That gets covered up when the high tide rolls in  
 All else washes away but the stone never moves  
 I could be nobody as long as I'm someone to you  
 I could be nobody as long as I'm someone to you

## Acordes
