

# Andy Williams - A Man And A Woman

Tom: G

A  
When hearts are passing in the night  
In the lonely night  
Then they must hold each other tight  
Oh so very tight  
And take a chance that in the light, in tomorrow's light  
They'll stay together so much in love  
A Em7 E7/13- D7M  
And in the silence of the mist, of the morning mist,  
When lips are waiting to be kissed, longing to be kissed  
Where is the reason to resist and deny a kiss  
That holds a promise of happiness  
And in the silence still surrounds you  
Though yesterday still surrounds you  
With a warm and precious memory, maybe for  
tomorrow  
We can build a new dream for you and me

A Em7 E7/13- D7M  
This glow we feel is something rare, something really rare  
Em7 A7 G Db7  
So come and say you want to share, want to really share  
Em7 A7 G C7M  
The beauty waiting for us there, calling for us there  
Am C7M Am B7 Cdim B7 Cdim E E  
That only loving can give the heart.  
A Em7 E7/13- D7M  
When life is passing in the night, in the rushing night,  
Em7 A7 G Db7  
A man, a woman in the night, in the lonely night,  
Em7 A7 G C7M  
Must take a chance that in the light, in tomorrow's light,  
Am C7M Am B7 Cdim B7 Cdim E  
They'll be together so much in love,  
B7 Cdim B7 Cdim E Gbm7 B7  
Together so much in love, so tell me  
Cdim E  
You're not afraid to take the chance, really take a chance  
E Gdim D7M  
Let your heart begin to dance, let it sing and dance  
D7M Gdim E  
To the music of a glance, of a fleeting glance  
E Gdim D7M  
To the music of romance, of a new romance, take a chance
