

Andy Williams - All Through The Night

Tom: G

G D
All through the night I'll be awake and I'll be with you
D G
All through the night this precious time when time is new
Em Bm
Oh, all through the night today
C Am
Knowing that we feel the same without saying
G Em C
We have no past we won't reach back
Am D G
Keep with me forward all through the night
Em C
And once we start the meter clicks
Am D G
And it goes running all through the night
Em Bm D
Until it ends there is no end
G D
All through the night stray cat is crying so stray cat sings
back
D G
All through the night they have forgotten what by day they
lack
Em Bm
Oh under those white street lamps
C Am
There is a little chance they may see
G Em C
We have no past we won't reach back

Am D G
Keep with me forward all through the night
Em C
And once we start the meter clicks
Am D G
And it goes running all through the night
Em Bm D
Until it ends there is no end
Interlude: (G D G D G Em Bm C Am)
Em Bm
Oh the sleep in your eyes is enough
C Am
Let me be there let me stay there awhile
G Em C
We have no past we won't reach back
Am D G
Keep with me forward all through the night
Em C
And once we start the meter clicks
Am D G
And it goes running all through the night
Em Bm D
Until it ends there is no end
Am D G
Keep with me forward all through the night
Em C
And once we start the meter clicks
Am D G
And it goes running all through the night

Until it ends there is no end
