Andy Williams - I Could Have Danced All Night

Tom: D

   Intro: A7 G G Em A7 D

```
D    Gbm  A7      D           D
I could have danced all night
   Gbm   A    D    Fdim D
I could have danced all night
A7    D       Gbm  B7      Cdim Em A7
And still have begged for more
   Edim           Em           B
I could have spread my wings
      B7      Em        Em
And done a thousand things
A7   G     G Em A7     D
I've never done before
      A7          Gb               Abm Db7   Gb
```

```
                                       
I'll never know what made it so exciting
     Db7     A     Bm   E7-    A7
Why all at once my heart took flight
G G   A7  D   A7   D         G     G G
I only    know when she began to dance with me
     Em        Em  A7      Gdim    A7    D
I could have danced, danced, danced all night
Interlude: D Gbm  A7  D D Gbm A D Fdim D A7 D Gbm  B7   Cdim Em
