

# Andy Williams - I Need You

Tom: **C**

We use to laugh, we use to cry  
 We use to bow our heads and wonder why  
 And now you're gone I guess I'll carry on  
 I'll make the best of what you're left of me  
 Left to me, left to me  
 I need you, like the flower needs the rain  
 You know I need you  
 Yes, I'll say it all again, you know I need you

Like the winter needs the spring  
 You know I need you, I need you  
 And everyday I'd laugh the hours away  
 Just knowing you would think and love me  
 Then you came and I was put to blame  
 For every story told about me  
 About me, about me  
 I need you, like the flower needs the rain  
 You know I need you
