

# Andy Williams - It Could Happen To You

Tom: **D**

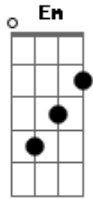

**D** **D** **Gdim**  
 Hide your heart from sight,  
**Em** **Edim** **Gdim**  
 Lock your dreams at night  
**D** **G** **B7**  
 It could happen to you  
**G** **Em** **A7** **D**  
 Don't count stars or you might stumble  
**Bm** **B7** **Em** **A7** **Em** **A7**

Someone drops a sigh, and down you tumble  
**D** **D** **Gdim**  
 Keep an eye on spring  
**Em** **Edim** **Gdim**  
 Run when church bells ring  
**D** **G** **B7**  
 It could happen to you  
**G** **G** **Em** **G** **D** **Gbm** **B7**  
 All I did was wonder how your arms would be  
**G** **Em** **A7** **A7** **D**  
 And it happened to me
