

Andy Williams - Meditation

```
Tom: G
G Am D Cdim Fdim G Am D7
In my loneliness D G Am
When you're gone and I'm all by myself
                                                           Bm Bm E7- E7
And I need your caress
                                                                                                                                                                                                                                                                                 Cm
Am Am E Cm
                                                                                                      just think of you
                                                                                                      Bm Bm
                                                                                                                                                                                                                                                                                                                                                 E7- E7
And the thought of you holding me near
                                                                                          Am Am
Makes my loneliness soon disappear
