 How I long to be with you, my happiness

 Dreaming of your tender kiss  
**D** **Cdim** **Em** **A7** **G** **A7** **A7/13-** **D G D D D7**  
 Always thinking how I miss my happiness

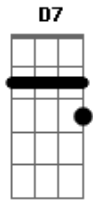

Bridge

**G** **G** **Em**  
 A million years, it seems,  
**D** **Fdim** **D**  
 Have gone by since we shared our dreams;  
**E** **E7**  
 But I'll hold you again  
**G** **G** **G A7**  
 There'll be no blue memories then  
**A** **G** **G G**  
 Whether skies are gray or blue  
**G** **A7** **D** **D**  
 Any place on earth will do  
**D** **Cdim** **Em** **A7** **G** **A7** **A7/13-** **D G** **Gdim** **D**  
 Just as long as I'm with you, my happiness
