

Andy Williams - Somethin' Stupid

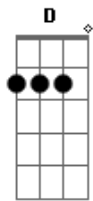

Tom: D

Intro: Em A7 Em A7 D

I know I stand in line until you think you have the time
 To spend an evening with me
 And if we go some place to dance, I know that there's a chance
 You won't be leaving with me
 Then afterward, we go into some quiet little place
 And have a drink or two
 And then I go and spoil it all
 By saying something stupid, like, "I love you"
 Bridge
 I can see it in your eyes that you despise
 The same old lies you heard the night before

But though it's just a line to you
 For me it's true, and never seemed so right before.
 I practice every day to find some clever line to say
 To make the meaning come through
 But then I think I'll wait until the evening gets late
 And I'm alone with you
 The time is right...your perfume fills my head
 The stars get red, and, oh, the night's so blue
 And then I go and spoil it all
 By saying something stupid, like, "I love you"
 And then I go and spoil it all
 By saying something stupid, like, "I love you"
 I love you I love you
