Andy Williams - The Bilbao Song

Tom: D

```
    A   Em A7/13-  D       D  D
That old Bil - ba - o moon
   D      Dm    Dm  Dm
I won't forget it soon
     Fdim   A7  Em   A7
That old Bilbao moon
      A7/13-   D     D   D
Just like a big balloon
     D7   G   G  G
That old Bilbao moon
       G       Gm          Fdim
Would rise above the dune
     Gdim     D        Gbm Edim
While Tony's Beach Saloon
       Gdim     D         D   D
Rocked with an old-time tune
      Gbm    G       Gdim        Edim    Gdim     D        D
D
We'd sing a song the whole night long and I can still recall
      A7/13-      D      D    D         D      Fdim     E7
Fdim
Those  were  the  greatest      those  were  the  greatest
      E7        A7      G  A A7/13-      D   A  G A7
Those were the greatest  nights  of  them  all
A   Em A7/13-  D       D  D
No paint was on the door
     D         Dm       Dm  Dm
The grass grew through the floor
  Fdim   A7     Em   A7
Of Tony's Two By Four
  A7/13-    D     D   D
On the Bilbao shore
    D7        G          G  G
But there were friends galore
     G       Gm          Fdim
And there was beer to pour
     Gdim     D       Gbm   Edim
And moonlight on the shore
    Gdim    D     D   D
That old Bilbao shore
      Gbm     G       Gdim        Edim    Gdim     D     D   D
We'd sing a song the whole night long and I can still recall
      A7/13-      D      D D      D      Fdim     E7 Fdim
Those were the greatest      those were the greatest
      E7        A7      G  A     A7/13-      D    Gdim D A7 D
Those were the greatest  nights  of  them  all
