

# Andy Williams - Winter Wonderland

Tom: A

Over the ground lies a mantle of white  
A heaven of diamonds shine down through the night  
Two hearts are thrillin' in spite of the chill in the weather  
Love knows no season, love knows no clime  
Romance can blossom any old time  
Here in the open we're walking and hoping together!  
Together, together together  
Melody  
Sleighbells ring, are you listening in the lane, snow is glistening  
A beautiful sight, we're happy tonight, walking in a winter wonderland  
Gone away is the bluebird, here to stay is a new bird  
He sings a love song as we go along, walking in a winter wonderland

In the meadow we can build a snowman, and pretend that he is Parson Brown  
He'll say, "Are you married?" We'll say  
"No, man, but you can do the job when you're in town"  
Later on we'll conspire as we dream by the fire  
To face unafraid the plans that we made walking in a winter wonderland  
In the meadow we can build a snowman, and pretend that he is Parson Brown  
He'll say, "Are you married?" We'll say  
"No, man, but you can do the job when you're in town"  
Later on we'll conspire as we dream by the fire  
To face unafraid the plans that we made walking in a winter wonderland
