Intro: G7 C7 F7 Eb7 Ab7 G7 C#- C7

Todos acham que eu falo demais
E que eu ando bebendo demais
Que essa vida agitada não serve pra nada
Andar por aí bar em bar, bar em bar
Dizem até que ando rindo demais
E que conto anedotas demais
Que eu não largo o cigarro e dirijo o meu carro

Correndo, chegando, no mesmo lugar
Ninguém sabe é que isso acontece porque
Vou passar toda a vida esquecendo você
E a razão porque vivo esses dias banais
É porque ando triste, ando triste demais
E é por isso que eu falo demais
É por isso que eu bebo demais
E a razão porque vivo essa vida agitada demais
É porque meu amor por você é imenso
O meu amor por você é tão grande
(É porque) Meu amor por você é enorme demais
