Intro: Gbm B7 C Em A7 Dm Db7 C
 Gbm B7 Em A7 Dm Db7 C
 Dm G7 C

[Primeira Parte]

Nunca vi coisa tão bela
 Esse sol de primavera
 Que penetra na janela
 Incendeia o meu pomar
 Faz a casa desbotar
 Faz o corpo despertar
 E o dia

[Segunda Parte]

Nunca vi coisa mais linda
 Essas flores na varanda
 Ventania pela fresta
 E o perfume cai no ar
 Faz o corpo delirar
 Faz a casa se encantar
 Um dia

[Refrão]

E a primavera
 Quando se encerra
 O verão já vai chegar

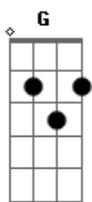

O verão já vai chegar

E a primavera

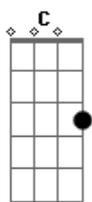

Quando se encerra

O verão já vai chegar
