Em **D**
Time for your reflection
Bm **C**
What's the promise you have made?
Em **D**
Destruction of your pride
Bm **C**
And reconstruction of my name
Em **D**
You betrayed me where's your bravery?
Bm **C**
Now you face your doom
Em **D**
Your fate will be traced by the spear
Bm **C**
That went tearing through
Am **Bm** **C**
When you hear the winds of revenge
Em **D**
All of the distance and the chains

Bm **C**
You put around my damned soul
Em **D**
Right now it's all finished
Bm **C**
I'm just building your new world
Em **D**
While you navigate in peace
Bm **C**
And glance at lands you will control
Em **D**
Bewitced you cannot see the route
Bm **C**
And hell where you will go
Am **Bm** **C**
When you hear the winds of revenge
Am **Bm** **C**
You will see the goddess crying
Am **Bm**
and the boats will sink and now
C **D**
You play my secret game
Em
Arising Thunder!
G **D** **Em**
Welcome to me, you fall alone
G **D** **Em**
Stand up and face me in a fight
G **D** **B**
Drowning in tears deep in the storm
Em
Once again, once again!
