

# Angra - Carry On

tom:

E (forma dos acordes no tom de F )

Afinação: Eb Ab Db Gb Bb Eb

Simple minded brain  
For now you succumb  
Nothing changes your way  
This worlds insists to be the same  
Based on our mistakes  
The flowers fade along the road  
Don't blindfold your eyes  
So loneliness becomes the law of a senseless  
Life  
Follow your steps and you will find  
The unknown ways are on your mind  
Need nothing else than just your pride to get  
There  
Go  
Now we have to face another day  
You won't be alone  
This life is forcing us to stay  
- For how long?  
Cold is the wind and thunder struck on a  
Stormy night  
But can't you see, I'm by your side  
We are marching on!  
Follow your steps and you will find

The unknown ways are on your mind

Need nothing else than just your pride to get  
There

So, carry on  
There's a meaning to life  
Which someday we may find  
Carry on, it's time to forget  
The remains from the past, to carry on

[Solo]

Follow your steps and you will find  
The unknown ways are on your mind  
Need nothing else than just your pride to get  
There

So, carry on  
There's a meaning to life  
Which someday we may find  
Carry on, it's time to forget  
The remains from the past

So, carry on  
There's a meaning to life  
Which someday we may find  
Carry on, it's time to forget  
The remains from the past, to carry on  
Remains from past, to carry on  
Remains from past
