Tom: **A**

Segunda Parte:

Primeira Parte:

I see the stars in your eyes  
Portraying my face in the future  
Nice is the weather outside  
But I'll stay at home  
Oh, waiting for the rain

Memories of when we were young  
Wishing so bad to be older  
Now you may look to the past  
The only way forward

Refrão:

Gentle change of tides  
Upcoming days  
Oh, the spirits of a new ho\_rizon fall  
Into old dreams

Terceira Parte:

Standing here howling at the storm  
Shouting how life could be perfect  
Well, then the walls have to fall  
To start it again

(2x)

Refrão Final:

Gentle change of tides  
Upcoming days  
Oh, the spirits of a new ho\_rizon fall  
Into old dreams  
Far away from sights  
Oh, hidden in the haze  
Oh, oh, spirits of a new ho\_rizon fall  
Into old dreams

Segunda Parte (Pré-refrão):

Lightning up another cigarette  
Playing cool while cracking up inside  
Saying hi to people's like saying goodbye  
Laughing, but wishing to cry
