

Angra - No Pain For The Dead

Tom: **D**

Introdução: (Os violões são em terça, talvez depois eu faça a tablatura do segundo violão). (Escuta bastante a música pra pegar o timing dos arpeggios).

Standing by his coffin
Thoughts have gone astray
Life is just a burden
Carry yours away
Wipe the tears that fall

Moments recalled in the
Child's
eyes
Watch the world go by
Flying through the stars

Won't hide the scars
Always
Mourning cries
Wasted in this world
I'd never realized
Smiles in the falling rain
