## Angra - Nothing to Say

Tom: E The hope hidden behind the horror С Am m Fm Living forevermore, leaving today Em С Long ago, the same sky above Back from this land, I've got С Am Bm Em Nothing to say! "It's lonesome when the sun goes down" Em C Am Em A day had come when we were like one Living forevermore, leaving today C Am Bm Weapons up, never surrender! С Am For all what remains I've got C Am G G7M# Em Gm Oooh, I saw the gleams of gold C Am G G7M# Em Nothing to say! We'd kill and die conquering a virgin world C Am G G7M# F Em C Am G G7M# Em Oooh, how many years have gone The hold corrupted by the honour C Am G G7M# Em Every morning I bare myself from love Fm CAM G G7M# F Em Am The love rising up from the Living forevermore, leaving today sorrow C Am C Am Back to my place, I've got Em Living forevermore, leaving today Em Nothing to say! С For all what remains I've got Fm Gm Nothing to say! Guilt and shame, it's all so insane C Am Bm Pagan gods die with no defense Eb C Gm Living forevermore - Nothing to say! Fm And we could go no further at all Fb C Back to my place, I've got С Am Bm Digging the graves of our conscience Eb C Gm Living forevermore - Nothing to say! C Am Eb C For all what remains, I've got G G7M# Em Oooh, the sounds, they still echo C Am G G7M# Em Am Em All of us drifting on seas of blood Nothing to say! CAM G G7M# F Em
