Em C
Since the time of the ancients
When gladiators fought
Turning movements of action to passion
Their life was a game
See the blood of the bodies
Spilling onto the floor?
How could people applaud it
It's madness it's all so insane!

C Am
Blood, through your heart
Never stops for one minute
And there you will find
- There is no other way!

Em
The arena's still crowded
But the rules take new forms
Some of them tread on stages
Some others chase after a ball
Blood, through your heart
Never stops for one minute

C Am
And there you will find
- There is no way out!

[Refrão]
Em Gb
Demons with a thousand eyes
- Look at me and cast your spell!
Em Gb
We're dreaming of paradise
A B
While we stay here in hell!
