A new horizon
And I began

To wonder why
G Am G C
New day sunrise
Sound the trumpets of the dawn
G Am G C
Far away, for a while
I hear the angel silent call
       C
Oooh, The silent call
Oooh, The silent call
All the answers to this
Dubious mysteries
```

```
In the magic
  Dm G
midnight sun
I got an old bag full of
Recent memories
Many laughs and many cries
G Am G C
New day, sunrise
Sound the trumpets of the dawn
G Am G C
Far away, for a while
I hear the angel silent call
Oooh, The silent call
Oooh, Spread my wings and fly!
Only guided by faith
Through the darkness or light
May have the whys
It's always the same
It's always there
Oooh, night and day
Oooh, The silent call
