Angra - Time

Tom: F

D Gm This time I wanna know D Bb7 Em7 what life means to live it again D Gm I'm looking for ward feel D Bb7 Em7 the light shine in my eyes D Gm D And now I know my instincts were Bb7 Em7 not wrong and many things can be done D Gm I don't believe now, D Bb7 that i'm dreaming alone. D We're searching for the love C G D Bb7 That every one's got, but can't see, yeah D Oh beyond the flesh and blood C G Bb7 There's so much hiden behind as so F C much more we've gotta give D Eb Sanity brings up the sadness and keep Dm Bb your ilusions locked in a F C D little box fright comes, Bb you find yourself Fh lonely in a cage of conclusions Bb D crowding your mind you sit back Eb Dm

Acordes

bowing your head, every answer "Yes" why don't you trust С Bb Dm me and shed out your fears running over Eb The tears you've confained now cover up Dm Bb your eyes "is it good for you"? Gm7 A7 I will be here when fire burns! Dm Eb Welcome on board over Dm here is the ship of your live Eb F C So rotten that will cast away Dm I'll be your sweet Eb Lullaby all the night and if Bb Dm you get lost you can hold my hand Gm7 A7 I will be here when fire burns Bb Gm7 Climb up the hills and mountains Α7 don't forget what you've learned! Dm Am Bb Live makes us feel the time E D we cannot hold time makes up Am F live a tale already fold D A Am Time makes us heal Bb a Feeling in side a feeling Dm that lies in our hearts Am Bb that we stole away.
