

Angra - Time

Tom: F

```
D
This time I wanna know
   D Bb7 Em
what life means to live it again
D Gm
I'm looking for ward feel
D
Bb7 Em
the light shine in my eyes

D

Gm

D

And now I know my instincts were

Bb7

Em
 not wrong and many things can be done \frac{\rm D}{\rm Cm}
I don't believe now,
D Bb7
that i'm dreaming alone.
We're searching for the love

C
G
D
Bb7
That every one's got, but can't see, yeah
Oh beyond the flesh and blood
   C G Bb7
There's so much hiden behind as so
      F C
much more we've gotta give D Eb
Sanity brings up the sadness and keep

Dm Bb

your ilusions locked in a

F C D
little box fright comes,
       Bb
you find yourself
lonely in a cage of conclusions

Bb D
crowding your mind you sit back
Eb
                                         Dm
```

```
bowing your head, every answer "Yes"
why don't you trust
me and shed out your fears running over
                   Eb
The tears you've confained now cover up
                         Bb
your eyes "is it good for you"?

Gm A7
I will be here when fire burns!
Welcome on board over
          Dm
here is the ship of your live \stackrel{-}{\text{Eb}} \stackrel{-}{\text{F}} \stackrel{-}{\text{C}}
So rotten that will cast away
I'll be your sweet
Lullaby all the night and if
you get lost you can hold my hand
Gm A7
I will be here when fire burns
Climb up the hills and mountains
don't forget what you've learned!
Dm Am
Live makes us feel the time
 E D
we cannot hold time makes up
live a tale already fold
D A Am
Time makes us heal
 Bb
a Feeling in side a feeling
            Dm
that lies in our hearts
   Am Bb
that we stole away.
