Tom: **G**

Chocolate and Cigarettes EP

Intro: **G** **Em**

G
I wish I had a mango tree

Em
In my backyard

G
With you standing next to me

Em
Take the picture

G
From her lips I heard her say

Em
Can I have you

G
Caught up on what to say

Em
I said you do

Chorus

I said you do... I said you do...

Through my eyes I can see
A shooting star
Weaving its way across the sea
Somewhere from Mars
Cause down the street we will run
Scatch our names in the path
Young and free, in the sun
Wheels upon the tar

I said you do

I said you do

I said you do

I said you do

I said you do
