

# Ani Belle - Million Reasons

tom:

Intro: C Am F G

[Primeira Parte]

You're giving me a million reasons to let you go  
You're giving me a million reasons to quit the show  
You're givin' me a million reasons  
Give me a million reasons  
Givin' me a million reasons

About a million reasons

If I had a highway, I would run for the hills  
If you could find a dry way, I'd forever be still  
But you're giving me a million reasons

Give me a million reasons  
Givin' me a million reasons

About a million reasons

[Refrão]

I bow down to pray  
I try to make the worst seem better  
Lord, show me the way  
To cut through all his worn out leather  
I've got a hundred million reasons to walk away  
But baby, I just need one good one to stay

[Segunda Parte]

Head stuck in a cycle, I look off and I stare  
It's like that I've stopped breathing, but completely

Aware  
'cause you're giving me a million reasons

Give me a million reasons  
Givin' me a million reasons

About a million reasons

And if you say something that you might even mean

It's hard to even fathom which parts I should believe  
'cause you're giving me a million reasons

Give me a million reasons  
Givin' me a million reasons

About a million reasons

[Refrão]

I bow down to pray  
I try to make the worst seem better  
Lord, show me the way  
To cut through all his worn out leather  
I've got a hundred million reasons to walk away  
But baby, I just need one good one to stay

[Ponte]

Hey, eh, eh, eyy  
Baby I'm bleedin', bleedin'  
Ehh, eh, ehhy  
Can't you give me what I'm needin', needin'  
Every heartbreak makes it hard to keep the faith  
But baby, I just need one good one  
Good one, good one, good one, good one, good one

[Refrão]

When I bow down to pray  
I try to make the worst seem better  
Lord, show me the way  
To cut through all his worn out leather  
I've got a hundred million reasons to walk away  
But baby, I just need one good one, good one  
Tell me that you'll be the good one, good one  
Baby, I just need one good one to stay
