

ANIE - Gambling Game

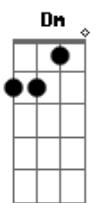

tom:

Intro: Dm F Bb G7

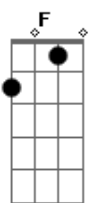

Bb
You've taken away the prize
Now i can't deal, with this emotions
It's always so hard to find
Good things in life, and you know that
Gambling is what moves
My wheels so high and than
Play the cards that is life
Given you you will know
In this game
There is a chance
For all those who play right
Roll the dice
Running for
Best results
In this game
There is a chance
Life is a gambling game
Back to basics now
A punch of reality, knocks you ever
I swear to lear more skills
Playing with words, sounds so nonsense
I'm learning to rule the wind
The sailor salesman, is what i believe
Play the cards that is life
