

# Anitta - Fuego (feat. DJ Snake / Sean Paul / Tainy)

Tom: Ab

m

[Refrão]

Dbm7                    Abm  
Don?t make me crazy  
Dbm7                    Abm  
Your bed won?t take it  
                          Dbm7  
Don?t start that fuego, hmm  
                          Abm  
I can?t fight my DNA  
                          Dbm7                    Abm  
Loca, ah-ah

[Primeira Parte]

Alright, then  
                          Dbm7                    Ebm7  
Just one touch, wha me give the little miss  
                          Abm  
And she start fi go loopy (loco!)  
                          Dbm7                    Ebm7                    Abm  
Me tell her my love don't miss on the ride back home  
                          Dbm7  
Taking her home is like she feel man a joke  
                          Ebm7                    Abm  
She fall inna love with the way how I do it  
                          Dbm7  
And I must love the way  
                          Ebm7                    Abm  
Oh, she just can?t leave me alone

Crazy because she a pick up the phone  
                          Ebm7  
She no stop call Simone  
                          Abm  
And a tell her she moan and groan in the zone  
                          Dbm7                    Ebm7  
She think me a clone, let me give her the bone  
                          Abm  
Now she have to turn around

And give me the crown

[Pré-Refrão]

Dbm7                    Abm  
Ooh                    (baby girl), encima mío, encima tuy  
Dbm7                    Abm  
Ooh,                    on top of me, on top of you, yeah  
Dbm7                    Abm  
Ooh                    (baby girl), contigo ya no hay cama que aguante  
Dbm7                    Abm  
Eh, aguante, yeah

[Refrão]

(La-la-la-la)  
Dbm7                    Abm  
Don?t make me crazy  
(La-la-la-la)  
Dbm7                    Abm  
Your bed won?t take it  
                          Dbm7                    Ebm7  
Don?t you start that fuego, fuego  
                          Abm  
I can?t fight my DNA  
                          Dbm7  
Pero si me vuelvo loca, loca  
                          Ebm7  
You might like that (eh)

Telling you again

( Dbm7                    Ebm7                    Abm )  
( Dbm7                    Ebm7                    Abm )  
( Dbm7                    Ebm7                    Abm )  
( Dbm7                    Ebm7                    Abm )

[Segunda Parte]

Dbm7  
Porque yo me pongo loca, loca  
                          Ebm7                    Abm  
Cada vez que le muerdo la boca, la boca  
                          Dbm7  
Rapidito se le cae la ropa, ropa  
                          Ebm7                    Abm  
Y a mí me gusta (Sing, girl)

Dbm7  
Porque yo me pongo loca, loca  
                          Ebm7                    Abm  
Cada vez que le muerdo la boca, la boca  
                          Dbm7  
Rapidito se le cae la ropa, ropa  
                          Ebm7                    Abm  
Y así me gusta

[Pré-Refrão]
