

Anitta - Is That For Me (feat. Alesso)

```
Tom: Ab
                                                          Hold on, we're going for a ride, yeah
Intro: Ab Bb
                                                          Ab7
                                                                 Fm Bbm
                                                          Ready? Know you want it
                Ab Fb
                                                          Fh7
  Is that for me?
                                                          Know you wanna take all my time
   Ab7
Ooh, come a little bit closer
                                                          But you get this static
            Fh7
                                                          Eb
Come and get a little piece of mine, yeah
                                                           Gotta gimme, gimme what I like
                                                                      Bbm
      Fm
Let me take over
                                                          Been thinking about it all day
   Eb7
                                                                       Eb
                                                          What we gon' do tonight?
Nothing wrong with feeling right
                                                                                Fb
                                                           Ab7
                                                          Up against the wall, up against the wall
I know, but be selfish
                                                          No holding back now (oh, no)
    It's getting late, look at the time
                                                          No time for not now (oh, no)
    Been thinking about it all day
                                                          Eb
                                                          No turning back now
What we're gonna do about it tonight?
                                                         Ab7
                                                           Catching feelings now, catching feelings now
  Ab7
Up against the wall, up against the wall
                                                          Let's go away now
                                                                  Ab
No holding back now
                                                          Oh, see what it taste now
 Ab7
                                                          Eb
No time for not now
                                                          Wanna know now
No turning back now
                                                                       Ab7
                                                                                 Eb
                                                                                            Ab7
                                                          Is that for me? ah ah
Catching feelings now, catching feelings now
                                                          ah ah ah
                                                                       Ab7
                                                                                 Fb
                                                                                            Ab7
Fh7
                                                          Is that for me? ah ah
Let's go away now
      Ab
Oh, see what it taste now
                                                                                 Eb
                                                                                          Ab
                                                          Is that for me? laialaia laialaia oh laia oh
