

# Anitta - Versions Of Me

tom:

[Primeira Parte]

**Dm**  
Locked you out the bedroom **Bb C**  
I told you: Never come back **Dm Bb C**  
And you said I smashed the window **Dm Bb C**  
It wasn't me, it was a maniac

**Dm**  
And someone broke into your car in the night **Bb C** (yeah)  
Slashed the tire, left a letter up on the dash **Dm Bb C**  
It read: I'm sorry, I get that I'm always bitter and sweet **Dm Bb C**  
Baby, it was an insomniac

[Pré-Refrão]

**Bb C**  
Baby, I swear I'll stay **Dm**  
Then I'm nowhere to be found when you wake up **Bb C**  
Promise you no more pain **Dm**  
But maybe we should break up

[Refrão]

**Dm C Bb**  
I-i-i'm over the top  
Don't really care if you li-like it or not  
I'm in your mind and you're caught up in my drama  
You want all these versions of me?  
All these versions of me

[Segunda Parte]

**Dm Bb C**  
I went and bought a white dress (ah, ah) **Dm Bb C**  
I thought it would be funny to freak you out **Dm Bb C**  
And I promised you forever and you fall for the lies **Dm Bb C**  
It's weird, why do you like being traumatized?

[Pré-Refrão]

**Bb C**  
Baby, I swear I'll stay **Dm**  
Then I'm nowhere to be found when you wake up **Bb C**  
Promise you no more pain
