

# Anitta - Will I See You (feat. Poo Bear)

Tom: B

When it's all said and done will I see you?  
 When it's all said and done will I see you?

Now that my love is on  
 All the way on you, I won't turn it off  
 Would you do the same?  
 When it's all said and done will I see you?

I've been planting seeds in our ground  
 Watching us grow for a while  
 Pray the sun stays shining down on us  
 I hope it do  
 We committed our trust out loud  
 Like gravity, we just wanna hold each other down  
 Build a circle, pray you always stay around  
 I do, Lord knows I do

Met you on the block  
 You ain't gotta hustle like that no more  
 I been on a journey  
 I ain't tryna look back no more  
 We been on a wave  
 Tryna not make it back to shore, oh no

When it's all said and done will I see you?  
 When it's all said and done will I see you?

Now that my love is on  
 All the way on you, I won't turn it off  
 Would you do the same?  
 When it's all said and done will I see you?

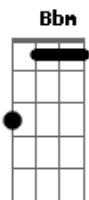

Took away my insecurities  
 Your arms became my security  
 Ooh, my melody became harmony  
 With you, and only you  
 Sometimes reality kicks in  
 Realizing every beginning comes to an end  
 Can I go to sleep at night?  
 Knowing I wake up to my best friend

When it's all said and done will I see you?  
 When it's all said and done will I see you?

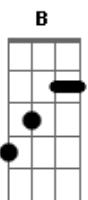

Now that my love is on  
 All the way on you, I won't turn it off  
 Would you do the same?  
 When it's all said and done will I see you?  
 When it's all said and done will I see you?  
 When it's all said and done will I see you?

Now that my love is on  
 All the way on you, I won't turn it off  
 Would you do the same?  
 When it's all said and done will I see you?
