

Ann - An Everlasting Love

tom:

C

Intro: C

C

I have searched every shore
Shall I see you no more?

G

I want no other love

C

Oh, for my evermore

C

Every inch, every door
I fear thyne trace to be long gone

G

No place else to go

C

Oh, everlasting love

F

C

Oh, the Reign underwater

F

Insists on calling out my name

C

Shallow creeps conquered our harbour

F

And the grass fields within

F

Each day, my sight loses colour

G

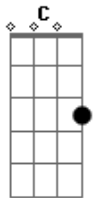

C

Oh, everlasting love

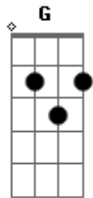

C

My hope shall not wear thin

Shine of thyne eyes engraved upon me

Unrailing pain from core to skin

Hurts more than to let this love be

C

A flame that dimn?t as thee be

G

And as the stars from above

It doth soars unstoppably

C

Oh, everlasting love

F

C

Fate hangs through to the ceiling

G

Like glass cracks to the floor

F

C

My life has lost all it?s meaning

G

Oh, everlasting love

Oooh

F

C

The tallest trees down the forest

G

Seem not to be high enough

F

Am

You shall come back and do as thou promised

G

C

F

C

My everlasting love
