

# Anna Nalick - Forever Love

Tom: **A**

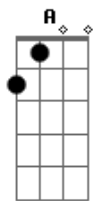

**D**  
On the ground  
**A**  
with my world  
**E**  
Upside down  
**Gbm**  
I got a vision of your face  
**D** **A**  
And I must get me out  
**E**  
For so many memories we've yet to make  
**D** **E** **Bm**  
God don't send to me your angels  
**E**  
I just wanna hear you say again

**A**  
Forever love  
**D**  
Say your love  
**Bm** **E**  
Digame, Digame

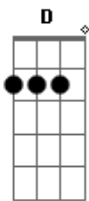

**A**  
Tell me so  
**D** **A** **Bm**  
I can hold you in my soul  
**E**  
If I go  
I know

**D**  
When you smile  
**A**  
With those eyes  
**E**  
Baby it's like  
**Gbm**  
You place a finger on my heart  
**D** **A**  
And your lips next to mine  
**E**  
Make me think that maybe heavens where you are  
**D** **E** **Bm**  
God don't send to me your angels  
**E**  
I just wanna hear you say again
