

# Anne-Marie - 2002

Tom: E

I will always remember

The day you kissed my lips  
Light as a feather

And it went just like this  
No, it's never been better  
Than the summer of 2002

We were only eleven

But acting like grownups  
Like we are in the present

Drinking from plastic cups  
Singing love is forever and ever  
Well, I guess that was true

Dancing on the hood in the middle of the woods  
Of an old Mustang, where we sang  
Songs with all our childhoods friends

And it went like this, yeah

Oops I got 99 problems singing bye, bye, bye  
Hold up, if you wanna go and take a ride with me  
Better hit me, baby, one more time  
Paint a picture for you and me  
Of the days when we were young  
Singing at the top of both our lungs

Now we're under the covers

Fast forward to eighteen  
We are more than lovers

Yeah, we are all we need

When we're holding each other  
I'm taken back to 2002

Dancing on the hood in the middle of the woods  
Of an old Mustang, where we sang  
Songs with all our childhoods friends

And it went like this, yeah

Oops I got 99 problems singing bye, bye, bye  
Hold up, if you wanna go and take a ride with me  
Better hit me, baby, one more time  
Paint a picture for you and me  
Of the days when we were young  
Singing at the top of both our lungs  
On the day we fell in love  
On the day we fell in love

Dancing on the hood in the middle of the woods  
Of an old Mustang, where we sang  
Songs with all our childhoods friends  
Oh, now

Oops I got 99 problems singing bye, bye, bye  
Hold up, if you wanna go and take a ride with me  
Better hit me, baby, one more time  
Paint a picture for you and me  
Of the days when we were young  
Singing at the top of both our lungs

On the day we fell in love  
On the day we fell in love  
On the day we fell in love  
On the day we fell in love, love, love

## Acordes
