

Anne-Marie - Alarm

Tom: C

There goes the alarm
 You're lay here with me you're shutting down
 I smell her on you, I'm focused now
 I know what's going on in your head, yeah
 I know what's happened here in our bed, yeah
 Your phone is buzzing, so pick it up
 I know she calling, so what the fuck
 I should've known a cheat stays a cheater
 So here we are

And there goes the alarm ringing in my head
 Like somebody said, "don't you trust him, no"
 Texting from his ex, what did you expect?
 Now you're lying here knowing where he goes
 Now he gotta getcha
 Karma is a bitch, yeah
 Same way they come that's the way they go

Now he gotta getcha
 Rewinding the picture
 There goes the alarm and the siren's go

There goes the alarm
 I saw it coming, I let it go
 My girls will tell me, "I told you so"
 But I was so intrigued by your style, boy
 Always been a sucker for a wild boy
 I'm better than this, I know my worth
 I might be getting what I deserve
 But I ain't sticking 'round for the rerun
 What's done is done

And there goes the alarm ringing in my head
 Like somebody said, "don't you trust him, no"
 Texting from his ex, what did you expect?
 Now you're lying here knowing where he goes
 Now he gotta getcha
 Karma is a bitch, yeah
 Same way they come that's the way they go

Now he gotta getcha
 Rewinding the picture
 There goes the alarm and the siren's go
 There goes the alarm
 Now he gotta getcha
 Same way that they
 Now he gotta getcha
 There goes the alarm, yeah
 Same way that they
 Now he gotta getcha, yeah

Bang bang, two-shots fired
 Man down, one fool, one liar
 Ring ring, trust gone missing
 House on fire, house on fire
 Bang bang, two-shots fired
 Man down, one fool, one liar
 Ring ring, trust gone missing
 House on fire

And there goes the alarm ringing in my head
 Like somebody said, "don't you trust him, no"
 Texting from his ex, what did you expect?
 Now you're lying here knowing where he goes
 Now he gotta getcha
 Karma is a bitch, yeah
 Same way they come that's the way they go

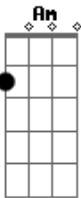

Now he gotta getcha
 Rewinding the picture
 There goes the alarm and the siren's go

There goes the alarm
 (Now he gotta getcha)
 There goes the alarm
 There goes the alarm
 (Now he gotta getcha)
 There goes the alarm
 (He gotta getcha)
 There goes the alarm
