

# Anne-Marie - Bad Girlfriend

Tom: G

I'm a bad girlfriend

I'm a bad girlfriend

You cancel plans for me, I cancel ours on you  
Said I'd be back early, I don't get in 'til 2  
You ask me where I've been, I tell you something vague  
Think I messed up again, what can I say  
Your mum says that she hates me, thinks I'm fucking lazy  
Your friends keep on telling you to leave me 'cause I'm crazy  
I do some shit you can't forget  
But you better get used to it

I'm a bad girlfriend, I'm a bad girlfriend  
You tell me your birthday, I forgot again  
I'm a bad girlfriend, I'm a bad girlfriend  
I can see you calling, I'm not answering  
I'm laughing but I don't think that you're funny  
I'm staying 'cause you give me all your money  
I'm a bad girlfriend, I'm a bad girlfriend

I'm a, I'm a, I'm a, I'm a bad-bad girl  
I'm a, I'm a, I'm a bad-bad girl-girlfriend  
I'm a, I'm a, I'm a, I'm a bad-bad girl  
I'm a, I'm a, I'm a bad-bad girl-girlfriend

You make me dinner then, I order take-away  
You wanna meet my friends, I say another day  
You trust me with your keys, and I fuck up your car  
You wanna stay with me, I break your heart

'Cause I'm one in a million, more like in a billion  
I don't think it's cheating if I'm kissing other women  
I do some shit you can't forgive  
And you better get used to it

I'm a bad girlfriend, I'm a bad girlfriend  
You tell me your birthday, I forgot again  
I'm a bad girlfriend, I'm a bad girlfriend  
I can see you calling, I'm not answering  
I'm laughing but I don't think that you're funny  
I'm staying 'cause you give me all your money  
I'm a bad girlfriend, I'm a bad girlfriend

I'm a, I'm a, I'm a, I'm a bad-bad girl  
I'm a, I'm a, I'm a bad-bad girl-girlfriend (but you already knew that)  
I'm a, I'm a, I'm a, I'm a bad-bad girl  
I'm a, I'm a, I'm a bad-bad girl-girlfriend

You should be with someone who's  
Always gonna wake up with you  
Always gonna tell you the truth  
And not lie to you like I do  
You should be with someone else  
Someone who is not myself  
You know I'm no good for your health  
And everyone else can tell

I'm a bad girlfriend, yeah!

I'm a, I'm a, I'm a, I'm a bad-bad girl  
I'm a, I'm a, I'm a bad-bad girl-girlfriend (but you already knew that)  
I'm a, I'm a, I'm a, I'm a bad-bad girl (that I'm bad, I'm bad, bad)

I'm a, I'm a, I'm a bad-bad girl-girlfriend (yeah)

I'm a, I'm a, I'm a, I'm a bad-bad girl  
I'm a, I'm a, I'm a bad-bad girl-girlfriend (but you already knew that)  
I'm a, I'm a, I'm a, I'm a bad-bad girl (that I'm bad, I'm bad, bad)

I'm a, I'm a, I'm a bad-bad girl-girlfriend (yeah)
