```
                 Am
Intro: Am  C  F  E
        Am  C  F  E

Am   C     F     E
Oooh-oh, oooh-woh
Am   C     F     E
Oooh-oh, oooh-woh

[Primeira Parte]

 Am                 C
You say you love me, I say you crazy
 F                          E
We're nothing more than friends
 Am                  C
You're not my lover, more like a brother
    F                       E
I known you since we were like ten, yeah

[Pré-Refrão]

 Am               C
Don't mess it up, talking that shit
F                     E
Only gonna push me away, that's it!
      Am                    C
When you say you love me, that make me crazy
 F
Here we go again

[Refrão]

          Am              C
Don't go look at me with that
             F   E
Look in your eye
           Am           C
You really ain't going away
             F    E
Without a fight
              Am
You can't be reasoned with
     C            F   E
I'm done being polite
              Am
I've told you one, two, three, four
 C                  F    E
Five, six thousand times

                  Am       C
Haven't I made it obvious?
                    F
Haven't I made it clear?
                     Am
Want me to spell it out for you?
C           F
F-R-I-E-N-D-S

                  Am      C
Haven't I made it obvious?
                    F
Haven't I made it clear?
                     Am

[Segunda Parte]

 Am                    C
Have you got no shame? You looking insane
 F                  E
Turning up at my door
       Am                 C
It's two in the morning, the rain is pouring
 F                E
Haven't we been here before?

[Pré-Refrão]

 Am               C
Don't mess it up, talking that shit
F                     E
