A D Gbm E

I call you one time, two time, three time

I can't wait no more

Your fingers through my hair, that's on my mind

I know it's been a minute since you walked right through that door

But I still think about you all the time

I don't know, I don't know

How I'm gonna make it out

I don't know, I don't know

Now you got me sayin'

Fuck, I'm lonely, I'm lonely, I'm lonely as

Fuck, come hold me, come hold me, come hold me

It's been me myself and why

Did you go? Did you go?

Oh, fuck, I'm lonely, I'm lonely, I'm lonely, lonely, I

Yeah, I still watch the shows you showed me

I still drink that wine

But these days it tastes more bitter than sweet, hmm

And all my friends are way too drunk to save me from my phone

So sorry if I say some things I mean

I don't know, I don't know

How I'm gonna make it out

I don't know, I don't know

Now you got me sayin'

Fuck, I'm lonely, I'm lonely, I'm lonely as

Fuck, come hold me, come hold me, come hold me

It's been me myself and why

Did you go? Did you go?

Oh, fuck, I'm lonely, I'm lonely, I'm lonely, lonely, I

Miss those nights when you would come over

Spent all night just tryna get closer

That was June and now it's October

I don't want, don't wanna get over

I miss those nights when you would come over

Spent all night just tryna get closer

That was June and now it's October

I don't want, don't wanna get over you

Oh, get over you

Fuck, I'm lonely, I'm lonely, I'm lonely as

Fuck, come hold me, come hold me, come hold me

It's been me myself and why

Did you go? Did you go?

Oh, fuck, I'm lonely, I'm lonely, I'm lonely, lonely, I

Miss those nights when you would come over (yeah)

Spent all night just tryna get closer

That was June and now it's October

I don't want, don't wanna get over

I miss those nights when you would come over

Spent all night just tryna get closer

That was June and now it's October

I don't want, don't wanna get over you
