

## **Anne-Marie - Her**

```
I think of an angel and all I see is her, mmm
                                                                                                                                                                                                                                                                                                                                              G Am C
                                                                                                                         tom:
                                                                                                                                                                                                                                                                                          All I see is her, hmm

                                                                                                                                                                                                                                                                                                                                                                                  D
                                                                                                                                                                                                                                                                                                                                                                                                           G
                                                                                                                                                                                                                                                                                                                                                                Em
                                                                                                                                                                                                                                                                                   Your voice in my head, it tells me I'm beautiful
                                                                                  Fm
                                                                                                 D G
                                                                                                                                                                                                                                                                                                                                                                                            D
When I think of my mother, no one cmpares to her
                                                                                                                                                                                                                                                                                                                                                           Fm
                                                                                                                                                                                                                                                                                  And when I have children, I'll pass on the things I was told
                                                                              Em D
                                                                                                                G
A love like no other, she puts everyone else first
                                                                        Em D
                                                                                                                                                                                                                                                                                   [Pré-Refrão]
                                                                                                                                                                                         C D
                                                                                                                G
And when I was younger, I treated her the worst
                                                                                                                                                                                                                                               C D C
                                                                                  Em D
                                                                                                                                                                                                                                                                                               Am
Never known someone stronger, 'cause damn it must have hurt
                                                                                                                                                                                                                                                                                   I don't see you as much as I used to
[Pré-Refrão]
                                                                                                                                                                                                                                                                                   But if I did, I know what I would do
                                                                                                                                                                                                                                                                                   [Refrão]
             Am
I don't see you as much as I used to
But if I did. I know what I would do
                                                                                                                                                                                                                                                                                          I'd tell you I love you a million times
[Refrão]
                                                                                                                                                                                                                                                                                           Say that I'm sorry if I made you cry
                                                                                                                                                                                                                                                                                          Could never be half the woman even if I tried
        I'd tell you I love you a million times
                                                                                                                                                                                                                                                                                          But I'll try, I swear I'll try
        Say that I'm sorry if I made you cry
                                                                                                                                                                                                                                                                                           If someone puts me down, yeah I know my worth
       Could never be half the woman even if I tried
                                                                                                                                                                                                                                                                                          All thanks to you, the lessons that I've learned
       But I'll try, I swear I'll try
                                                                                                                                                                                                                                                                                           If I had to put it into words
        If someone puts me down, yeah I know my worth
                                                                                                                                                                                                                                                                                           I think of an angel and all I see is her, \ensuremath{\mathsf{mmm}}
       All thanks to you, the lessons that I've learned
                                                                                                                                                                                                                                                                                                                                               G
                                                                                                                                                                                                                                                                                                                                                                           Αm
                                                                                                                                                                                                                                                                                           All I see is her, hmm
        If I had to put it into words % \left\{ 1\right\} =\left\{ 1
                                                                                                                                                                                                                                                                                                                                              G
                                                                                                                                                                                 G Am C
                                                                                                                                                                                                                                                                                  All I see is her
```
