

# Anneke van Giersbergen - Hey, Okay!

tom:

Intro: Fm Cm Gm Cm  
Fm Cm Gm Cm

Your eyes, your shoes

It's hard to choose

But the best thing about you

Is the way that you move

Side by side

All through the night

And the thing we drag the most

Is to see the morning light

Hey, okay

Why don't you stay another day?

And if it feels allright

Will you stay another night?

Hey, allright

Why don't you stay another night?

And if it feels okay

Will you stay another day?

Your place or mine

Whatever, it's fine

Let's dance and sway the night away

No fear, no shame

We play this game

And the best thing about it is:

I don't even know your name

Hey, okay

Why don't you stay another day?

And if it feels allright

Will you stay another night?

Hey, allright

Why don't you stay another night?

And if it feels okay

Will you stay another day?
