

Annika Bennett - Every Color Of The Rainbow

tom:

D

D We're flying high
Bm **D7**
And then it's over
Gb7 **Bm**
I watch your eyes
A **G**
Across the room
D **Gb**
You jealous guy
Bm **D7**
You stone cold soldier
Gb7 **Bm**
You never try
A **G**
And talk it through

D **Gb** **Bm** **G**
You're every fucking colour of the rainbow
D **A** **G**
You cover every corner of my sky
D **Gb** **Bm** **G**
You're every fucking colour of the rainbow
D **A** **D**
So tell me, what's it gonna be tonight

D **Gb**
You sky of gold
Bm **D7**
You field of violet
Gb7 **Bm**
The world's on hold
A **G**
When I'm with you

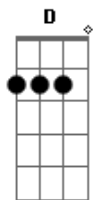

D **Gb**
But I never know
Bm **D7**
When you'll go quiet
Gb7 **Bm**
I never know
A **G**
What I'm supposed to do

D **Gb** **Bm** **G**
You're every fucking colour of the rainbow
D **A** **G**
You cover every corner of my sky
D **Gb** **Bm** **G**
You're every fucking colour of the rainbow
D **A** **D**
So tell me, what's it gonna be tonight

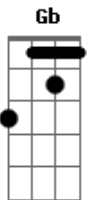

Gb7 **Bm**
Sunshine, new day
Gb **Bm**
I guess you'll let it go
Gb7 **Bm**
Am I ok?
A **G**
Man I don't even know

D **Gb** **Bm** **G**
'Cos you're every fucking colour of the rainbow
D **A** **G**
And I can't even seem to shut my eyes
D **Gb** **Bm** **G**
You're every fucking colour of the rainbow
D **A** **D**
So tell me, what's it gonna be tonight
