

# Annika Rose - Fuck You

tom:

**Ab**

You said to kiss me, you'd have to be cruel **Ab**

But what do you call me laid out on the phone in your room? **Bbm Db**

You said seein' me outside makes it too real **Ab Bbm Db**

But if that's what you want, what am I doin' right here? **Bbm Db**

[Pré-Refrão]

**Ab**

You know you've found every way to get into me

**Db**

Without actually trying to get into me

**Bbm**

If you think that it makes you a good guy

**Db**

Honestly, I think it makes you the worst kind

[Refrão]

**Ab** **Db**

So fuck you, your terrible excuse

**Bbm** **Db**

Fuck you and your promises and the ones you'd never give

**Ab** **Db**

Fuck you, I win and you lose

**Bbm** **Db**

Fuck you and your promises, all the ones you never meant

**Ab** **Db**

How do you expect me to wish you away

**Bbm** **Db**

When I know I'm gonna get a call from you at the end of the day?

**Ab** **Db**

Don't compare me to sculptures in Paris when you won't even go meet my parents

**Bbm** **Db**

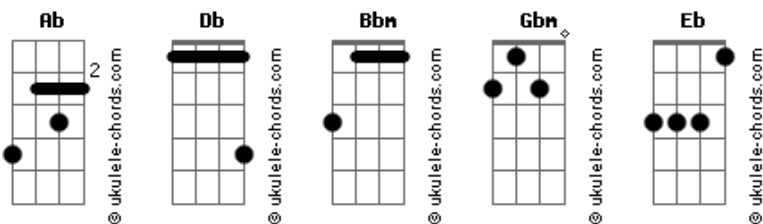

How can you do what you do and continue to think it's ok?

[Pré-Refrão]

**Ab**

You know you've found every way to get into me

## Acordes

**Db**

Without actually trying to get into me

**Bbm**

If you think that it makes you a good guy

**Db**

Honestly, I think it makes you the worst

**Ab** **Db**

So fuck you, your terrible excuse

**Bbm** **Db**

Fuck you and your promises and the ones you'd never give

**Ab** **Db**

Fuck you, I win and you lose

**Bbm** **Db**

Fuck you and your promises, all the ones you never meant

**Ab** **Db**

Woah, woah

**Bbm** **Db**

Woah, woah

**Db** **Gbm**

So take my words, take what I say

**Eb**

And let them follow you down to your brain

**Db** **Gbm**

Let lie again and walk away

**Eb**

But don't forget to somberly when I say

[Refrão]

**Ab** **Db**

So fuck you, your terrible excuse

**Bbm** **Db**

Fuck you and your promises and the ones you'd never give

**Ab** **Db**

Fuck you, I win and you lose

**Bbm** **Db**

Fuck you and your promises, all the ones you never meant

**Ab** **Db**

Woah, woah

**Bbm** **Db**

Woah, woah

**Ab** **Db**

Woah, woah

**Bbm** **Db**

Woah, woah
