Maybe I'm afraid of silence

I wish that I could just keep smiling

But I can't today

E A Gbm

So I fill the space

D

Aidan's in the kitchen

And I still haven't left the corner yet

[Refrão]

D E

I'm still figuring out

A Gbm

How to talk to strangers

D E

I'm still figuring out

A Gbm

All the dangers

D

I'm telling 'em things

E

I wouldn't tell my mom

Db

All of the things I did

Gbm

But shouldn't have done

D E

'Cuz I'm still figuring out

A Gbm

How to talk to strangers

D

Everyone else

E

Except myself

A Gbm

Always make it look so easy

D

They laugh and cry

E A Gbm

I want to die

D E A

I guess I never learned to small talk

Gbm D

I can barely keep up with myself

D

As they laugh and cry

E

I want to die

A Gbm

(die die die)

D E

I'm still figuring out

A Gbm

How to talk to strangers

D E

I'm still figuring out

A Gbm

All the dangers

D

I'm telling 'em things

E

I wouldn't tell my mom

Db

All of the things I did

Gbm

But shouldn't have done

D E

'Cuz I'm still figuring out

A Gbm

How to talk to strangers

D

Did I say too much?

E

Or not enough?

A Gbm

Do you think they tell?

D E A Gbm

I'm still figuring out how to talk to strangers

D

Did they teach it in school?

E

And did I miss a day?

A

'Cuz everybody knows what to do?

Gbm D

And I can't figure it out

D E A Gbm

'Cuz I'm still figuring out how to talk to strangers

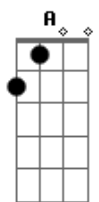

D

They laugh and cry

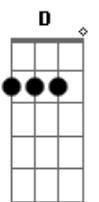

E

I want to die
